

THE WORMHOLE

THE RE-SPECIFICATION

Daily Card, Days 2 through 14

Every morning. Standing. Out loud. Three steps of clear floor ahead of you.

Thirty seconds, then you operate the day.

1. **STAND** Feet together. Spine sovereign.
 2. **RENDER ONE** State it out loud, "I have designated." Step forward as you speak.
 3. **ONE LINE OF FACT** From the new position. Why it is already true, from the source.
 4. **RENDER TWO** State it. Step forward.
 5. **ONE LINE OF FACT**
 6. **RENDER THREE** State it. Step forward.
 7. **ONE LINE OF FACT**
 8. **FIRE CONVICTION** One word, out loud, standing on the timeline you walked onto.
 9. **BEGIN THE DAY** Do not step back. Operate from the new position.
-

State the render. Step forward. State the fact. Three times. Fire CONVICTION. Walk into the day.

You do not touch the renders again until tomorrow morning. If the body reaches to check on them, fire FACT, and continue.

You are the source. You state the specification, you step onto the timeline, the render obeys.
